

MEDIA PRICE COMMUNICATIONS AGENCY

BTL DEPARTMENT

BTL DEPARTMENT

The BTL Department is involved in the organization and holding of promotional events for goods and services. These events are designed to cultivate the awareness and capture the attention of shoppers, create demand, attract new consumers and increase sales volume.

Provision of commercial services from marketing feasibility and campaign planning to the final report on campaign results

Extensive staff pool, offering the ability to select staff based on gender, age, appearance, special skills and other criteria.

Work experience with major brands and campaigns.

Regional focus: St. Petersburg and the Northwest, Moscow and Moscow Region + 800 other regions

ACHIEVEMENT OF BEST RESULTS THANKS TO:

1. Smart marketing analysis of the campaign.
2. Reconciliation of the BTL-campaign with the total set of promotional tools.
3. Precise tracking of ultimate project goal.
4. Utilization of amassed experience.
5. Holding of mandatory staff casting and instruction.
6. Holding of training sessions during the advertising campaign.
7. Ongoing audit of staff work.
8. Rapid response to changes occurring during the course of the advertising campaign.

CAMPAIGN RESULTS:

1. Cultivation of awareness.
2. Capturing of attention and fostering of interest.
3. Creation of TM awareness among consumers.
4. Creation of loyalty and preference.
5. Formation of TM image.
6. Attraction of new consumers.
7. Driving sales.

1. introducing customers to the product line,
2. attracting attention to confectionary products.

Mechanism:

sampling of Posidelkino dessert waffles.

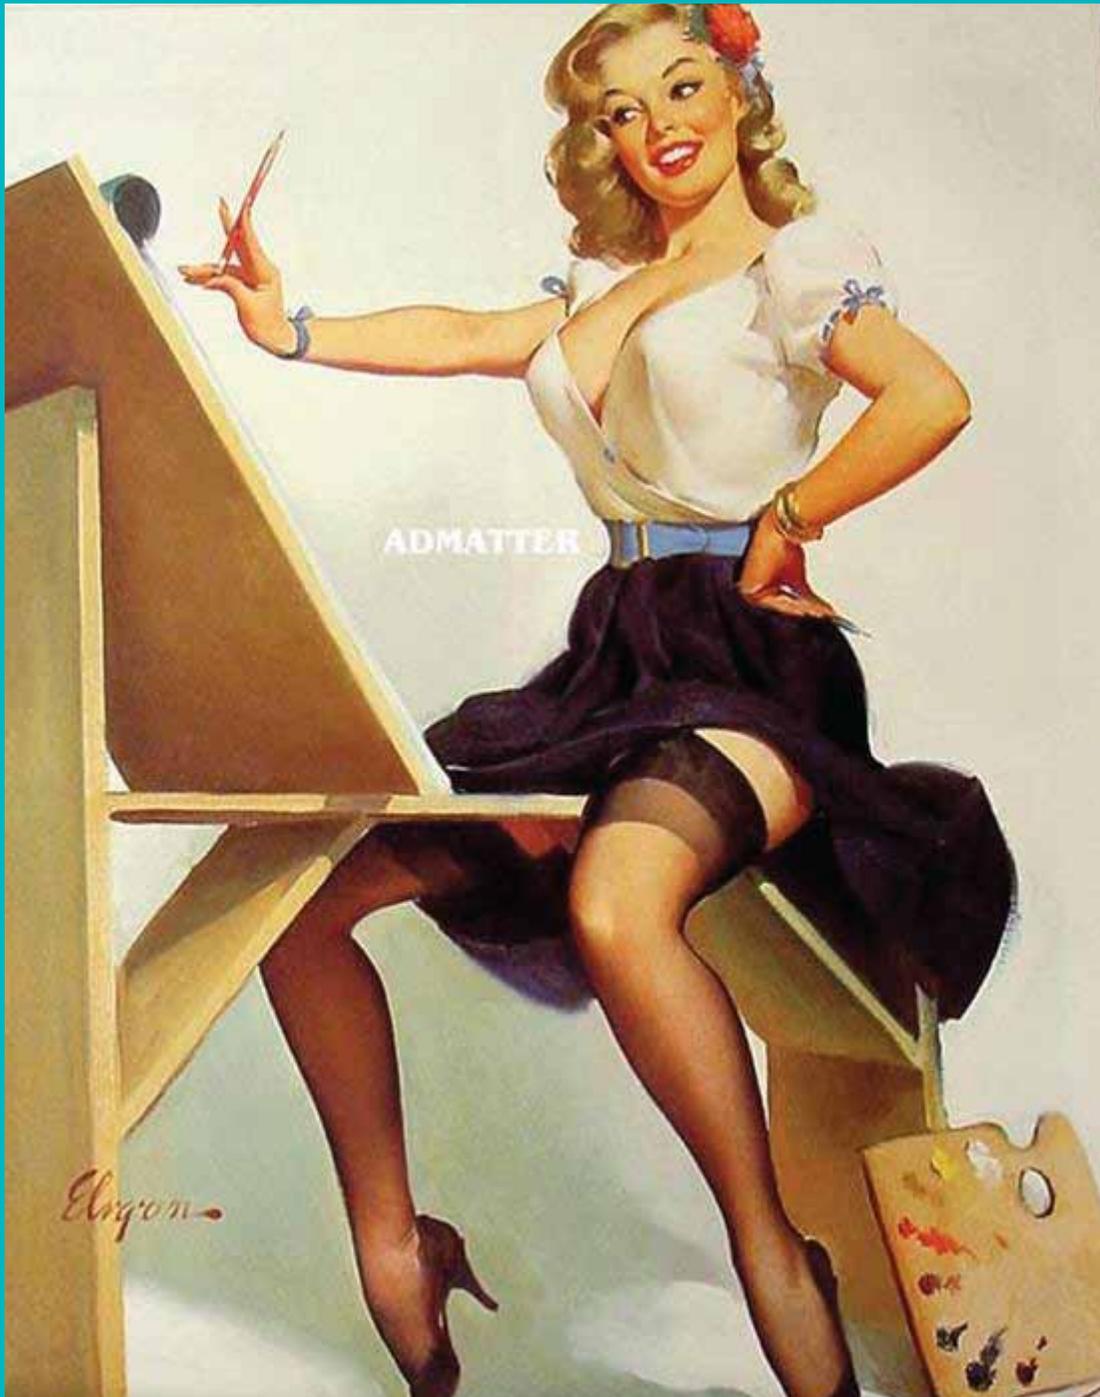

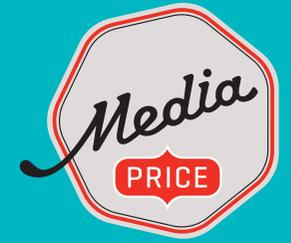

Result:

70% sales increase in advertised products.

OUR CAMPAIGNS

CREATIVE

MTS

Idea: "You're in the communications loop"

All promoters participating in the campaign – equipped with brightly-colored hula-hoops – playfully tried to get members of the target audience "into the loop," telling them about the company's new rate, inviting them to sign up, handing-out leaflets and notifying them of the existence of mobile connection points.

EUROSET

Idea: Call a stranger. Original New Year's greeting

Promoters stationed at Mega Shopping Center distribute tear-off slips from a booklet, on which they write "their" phone numbers by hand, promising an unorthodox New Year's greeting. Strangers call and hear greetings from Euroset, including a New Year's gift offer redeemable at the online store.

HoReCa staff – young men / young ladies with artistic talents.

-Fostering of consumer loyalty towards Euroset thanks to unorthodox means of attracting attention to the brand.

-Increasing the sales volume of the online store.
